Industrial Maintenance Aerosols

Clear Grease

CODE: **R226**

Performance enhanced grease for high load applications

Used on chains and other moving metal parts, this high performance grease penetrates rapidly before thickening to tenacious grease which is highly resistant to throw off. The addition of extreme-pressure additives makes it particularly effective under heavy loads.

Benefits:

- Clear, non-staining
- Penetrates rapidly and thickens
- Highly resistant to throw-off
- Extreme-pressure additives for high loadings
- Use on chains and other moving parts

Technical Data:

Appearance:	Yellow tinged liquid grease
Odour:	Oily
Contents:	Blend of mineral oil based grease, extreme-pressure additives and hydrocarbon propellants
Storage:	Below 50°C
Flash Point:	<0°C
Temperature range:	-10° to 80°C continuous -10° to 150°C intermittent
Relative Density:	0.85
Solubility:	Insoluble in water
Pack Sizes:	12 x 400ml cans
Directions for Use:	Shake can well before use and spray from a distance of 15-30cm.
